Technical details:**Description of location:**

This analogue sign is located in one of the largest passenger flows of the departure hall, the one that leads towards the entrance into the arrival hall, which means that one can target the majority of the arriving travelers with this sign.

Type of sign:

Fabric frame.

Space visible/image area (for original production):

4 350 x 3 090 mm.

Material (All material must be fire-classified):

Thick polyester. B1 flammability class as per DIN 4102.

Construction:

Silicone edge, 14 x 3 mm, stitched to all borders.

Packaging and marking: (Rolled onto a hard core).

The material must be clearly marked with the advertiser, campaignperiod, subject and indexnumber, as well as a picture of the subject. The material must also be clearly marked with the airport contact person.

Production:

Since it is complicated to produce this product, production may only be carried out by a printing firm with enough knowledge about these systems. Contact Swedavia for further information.
